---

We have a dedicated package for Stock Counting organisations and our special offer currently includes free training.

### National Installation and Training

We offer a national, comprehensive "get you up and running" service that is a favourite with our Hotel customers. This includes software installation, product inputting, system configuration and then full operational training.

### Technical Support

Cellar Master provide technical assistance by phone or email between 9 am and 5 pm GMT (BST if appropriate). Calls to the technical support desk **DO NOT** attract Premium Rate charges.
